21:00	SPECIAL	<p>Lumumba –The Movie</p> <p>Lumumba is a political thriller that tells the story of legendary African leader - Patrice Emery Lumumba. His vision of a "United Africa" earned him powerful enemies, which included the Belgian authorities and the CIA, who also supported Lumumba's former friend, Joseph Mobutu. The film, starring Eriq Ebouaney brilliantly documents Lumumba's rise and rapid fall from power, just 9 months after becoming Congo's first Prime Minister.</p>
